1 CS-2:	. . . do you remember that the [U/I] such and such a day? [U/I] I want to see them, and I want to see, tell them that [U/I]—Because this is very important in that issue there, of, of, of, of the, of the, of the, of the commitment [U/I], so uh, [U/I] since there's a lot, a lot of the, the, the work, we can't do it with a ghost, we can't do it... Or not, "Well say yes to him." No, I want to see it, I want to see, uh, see everything. Give me your, your word, I don't need money [U/I]...a person who chooses their words, who would tell the federal military man, "Sir, you send that because I'm going to receive it, and I'll transport it all over Honduras with no [U/I]. Okay? [U/I] Do we agree?	. . . ¿se acuerda que el [U/I] tal día [U/I]? Yo quiero verlos a ellos, yo quiero ver, dícales que [U/I]...Como esto es muy importante en la cuestión esa de, de, de, del, del, de la, del, del compromiso [U/I], entonces eh, como es mucho, mucho, el, el, el trabajo, no podemos hacerlo con un fantasma, no podemos hacerlo... O no, "¡pues dígame que sí!" No, yo quiero verlo, quiero eh, ver todo. Deme su palabra, no necesito dinero [U/I]... uno que mida su palabra, que le diga al militar federal, "Señor usted mande eso que yo se lo recibo, y yo se lo voy a transportar por toda Honduras [U/I]. Okay. [U/I] ¿Estamos de acuerdo?
2		
3 LOBO:	[U/I] the friend, the friend Leo [U/I] over there—	[U/I] el amigo, el amigo Leo [U/I] allá...
4		
5 CS-2:	Yes, uh, I'm going to coordinate with him so that at this point U/I] and all you're going to do is call [U/I] with the general and you'll tell them that I [U/I] with you. So, that way. [U/I].	Sí, eh, yo voy a coordinar con él para que él ya [U/I] y usted únicamente va a llamar [U/I] con el general y va a ir diciéndoles que yo [U/I] con usted. Entonces, así. [U/I].
6		
7 LOBO:	[U/I].	[U/I].
8		
9 CS-2:	I, I wouldn't like for [U/I] Leo to be here, then later on when [they/you all] are... I feel safe, I feel, I feel good. You come on your own alone and I come alone with my [U/I]. Without doing [U/I]. What do you think? . . . The battery, it, it died?	Yo, a mí no me gustaría que [U/I] Leo esté aquí, luego cuando estén [U/I] me siento seguro, me siento, yo me siento bien. Usted se viene por sus medios solito y yo me vengo solo con mi [U/I]. Sin hacer [U/I]. ¿Qué tal? . . . ¿Se, se descargó la pila?
10		
11 LOBO:	[U/I].	[U/I].
12

4		
5 CS-3:	No, it was charged. Just now, just now it, as a matter of fact just now I did was I arrived, is, I pulled it out from where it was getting charged and put it on the table so you wouldn't forget it.	No, estaba cargado. Ahorita, ahorita lo, de hecho ahorita lo que hice que llegué, es, lo saqué de donde estaba pegado y lo puse en la mesa para que no se te olvide.
6		
7 CS-2:	[U/I].	[U/I].
8		
9 UM:	What?	¿Mande?
10		
11 LOBO:	[U/I].	[U/I].
12		
13 CS-2:	I didn't understand you.	No le entendí.
14		
15 LOBO:	[U/I] the charger.	[U/I] el cargador.
16		
17 CS-2:	Oh, the charger.	Ah, el cargador.
18		
19 UM:	Yes, the charger.	Sí, el cargador.
20		
21	[U/I]	[U/I]
22		
23 CS-2:	So, work hard on that for me, you hear? Work hard on that for me.	Entonces démele duro a eso, ¿oyó? démele duro.
24		
25 LOBO:	[U/I] work, uh, [U/I].	[U/I] trabajar, eh, [U/I].
26		

Participant	Translation	Transcription
1 CS-2:	[U/I] uh, on the other hand it depends on the [U/I]...You know what I mean? [U/I] no, no, rush only in the sense that, I have to take [your/his/her] [U/I]. So then. . . because the only problems one has [U/I] is that you have to be careful in the United States, people have their clients and people have their market. And the thing is when you don't inform your clients on time, uh, uh—they go elsewhere on you. Once they take a different route, [U/I] then they don't want to [U/I] with the work [U/I].	[U/I], eh, en cambio aquí depende de la [U/I]...¿Sí me entiende? [U/I] no, no, prisa nomás en el sentido de que, le tengo que llevar su [U/I]. Entonces... porque los únicos problemas que tiene uno [U/I] es que tiene uno que cuidarse en los Estados Unidos. Uno tiene sus clientes, tiene su mercado. Y lo que pasa es que cuando no les informas con tiempo a tus clientes, eh, eh... se te van para otro lado. Ya que agarren ruta para otro lado, [U/I], después no quieren [U/I] con el trabajo [U/I].
2		
3 LOBO:	[U/I]...	[U/I]...
4		
5 CS-2:	Come again?	¿Mande?
6		
7 LOBO:	[U/I].	[U/I].
8		
9 CS-2:	Yes, no. There, there is where we have to square things up with him. I want to see, that's why I want to talk [U/I].	Sí, no. Ahí, ahí fue lo que hay que cuadrar con él. Yo quiero ver, por eso quiero hablar [U/I].
10		
11 LOBO:	[U/I].	[U/I].
12		
13 CS-2:	I'll grab it and take it with me to [U/I] everything that is Honduras [U/I] I have another, another route [U/I]—	Yo la agarro y me la llevo para [U/I] todo lo que sea Honduras [U/I] yo tengo otra, otra ruta [U/I]...
14		
15 LOBO:	Dude, give me a, mm, give me a pen. . .	Güey, dame una, mm, dame una pluma...
16		
17 CS-2:	[U/I]. . .	[U/I]...
18		
19 LOBO:	...with, with, with my friend con, con, con mi amigo . . .
20		//
21 CS-2:	. . . with Leo [U/I] con Leo [U/I] . . .
22	//	//

Participant	Translation	Transcription
1 LOBO:	. . . then, [U/I] we squared up because me, as an investor, uh, uh, uh the friend [U/I]pues [U/I] cuadramos porque yo como inversionista, eh, eh, eh el amigo [U/I]...
2	//	//
3	[U/I]	[U/I]
4	//	//
5 CS-2:	[U/I]... Because since I [U/I] uh, uh, uh, the friend is the one in charge of receiving. In [U/I] really in charge of receiving the work. They go [U/I] you. Then if, if [U/I] let the date go by. Like, like, like . . . At this point [U/I] . . . what interests me [U/I] is that [U/I] because for me the, the job is operational and because [U/I] . . . They take charge. So then that [U/I] . . . which, which . . . [U/I]	[U/I]... Porque yo como [U/I] eh, eh, eh, el amigo es el encargado de recibir. En [U/I] realmente encargado de recibir el trabajo. Ellos van [U/I] a ti. Entonces si, si... [U/I]...deja que pase la fecha. Este, este, este... Ya [U/I]... a mí lo que me interesa es que [U/I] porque para mí el operativo del trabajo y porque [U/I]... Ellos se encargan. Entonces eso [U/I]... que, que...[U/I]
6	//	//
7 LOBO:	[U/I].	[U/I].
8	//	//
9 CS-2:	. . . Very good. And that can't be just because they say to you: "Tell the man to come." And for you to tell me, "Listen, my friends say for you all to come over." No! Because how am I going to tell you to come if I don't know them. In other words, it's a very serious thing. So then...	. . . Muy bien. Y eso no puede ser porque le digan a usted... "Dígale al señor que se venga". Y que usted me diga, "Oiga, dicen mis amigos que se venga". ¡No! Porque cómo le voy a decir que se venga, porque no los conozco. O sea, es una cosa muy seria. Entonces...
10		
11 LOBO:	[U/I].	[U/I].
12		
13 CS-2:	Yes, it's very [U/I] very serious. So then, imagine you telling me "Come over, come over, I give you my word,"— and what if that arrives and the thing is the [U/I] didn't have any [U/I] —	Sí, es muy [U/I], muy seria, Entonces imagínese que usted me diga "que se venga, yo le doy mi palabra"... ¿Y qué tal si se viene eso y que los [U/I] no tuvieron [U/I] ...
14		
15 LOBO:	[U/I]...	[U/I]...
16		
17 CS-2:	Then . . .	Entonces...
18		
19 LOBO:	[U/I] difficult.	[U/I] difícil.

Participant	Translation	Transcription
1 CS-2:	[U/I] that's why I need to sit with them and that way you have no commitment, you introduced me, [U/I]—that, that, that commitment [U/I] that if they failed, I let you down, [U/I].	[U/I] por eso es que necesito sentarme con ellos y así usted no tiene compromiso. Usted me presentó, [U/I]...ese, ese, ese compromiso [U/I] de que si fallaron, yo le fallé a usted, [U/I].
2		
3 LOBO:	Yes.	Sí.
4		
5 CS-2:	You knew. What I have to do is take care of you.	Usted sabía. Yo lo que tengo que hacer es cuidarlo a usted.
6		
7 LOBO:	Yes.	Sí.
8		
9 CS-2:	You're very important for me because you're the person with relationships and that's all. You're the person for so many things [U/I] the one in charge. The one in charge, and you're the one who is going to collect.	Usted para mí es muy importante porque es la persona de relaciones y nada más. Usted es la persona de tantas cosas, [U/I] es el encargado. El encargado, y es quien va a cobrar.
10		
11 LOBO:	[U/I].	[U/I].
12		
13 CS-2:	[U/I]. Understand? Because of your friends, that's why I pay you and you [U/I].	[U/I]. ¿Entiende? Por sus amistades, por eso yo le pago a usted y usted [U/I].
14	//	//
15 LOBO:	Mm-hmm.	Mm-jmm.
16	//	//

Participant	Translation	Transcription
1 CS-2:	In terms of the numbers issue, when we speak, I'm going to [U/I] with the because if someone wants to talk about the [U/I] with, with them the thing is I wouldn't like to get involved in that [U/I], when they tell me, "Look, so what are we going to agree on?" The only thing I'm going to tell them, "Don't you guys worry about that because my friend is going to take care of it". And you all, [U/I]...then if they, supposedly [U/I]. So that I don't say, because I'm going to give [U/I] in the back [U/I] I have no reason to say anything. That's yours and [U/I], no one else's. Don't worry about me telling them, "Hey, that guy is going to take such and such."	En la cuestión de los números cuando hablemos, yo me voy a [U/I] con ellos porque si alguien quiere hablar de la [U/I] con, con ellos que yo no me gustaría meterme en eso [U/I], cuando ellos me digan, "¿Mira, y cómo vamos a quedar?" Yo lo único que les voy a decir a ellos, "Ustedes no se preocupen por eso que mi amigo se encargará. Y ustedes [U/I]... ya si ellos, [U/I]. Para yo no decir, porque yo le voy a dar [U/I] por la espalda [U/I] yo no tengo por qué decir nada. Eso es usted y [U/I], de nadie más. No tenga usted pendiente que yo le voy a decir, "Ey, aquél va a agarrar tal cosa".
2	//	//
3 LOBO:	Mm-hmm.	Mm-jmm.
4	//	//
5 CS-2:	I don't give a fuck. You're going to earn that because you're the, you're the one in charge, because you're the person who, uh, has that relationship. And, and, and, and more than anything, the thing is they've been doing it since the time when...uh, [U/I] Presidente. You know what I mean?	A mí me vale verga. Eso lo va a ganar usted porque usted es, usted es el encargado, porque usted es la persona que, eh, tiene esa relación. Y, y, y, y más que nada, que ellos lo han estado haciendo desde que... eh, [U/I] Presidente. ¿Sí me entiende?
6		
7 LOBO:	[U/I] the friend.	[U/I] al amigo.
8		
9 CS-2:	Already [U/I] enough for him?	¿Ya le [U/I] bastante?
10		
11 LOBO:	Yes.	Sí.
12		

Participant	Translation	Transcription
1 CS-2:	Oh, good, so then [U/I]. Super, smart, know what I mean? That's why I'm going to trust. In uh, at, uh, in another time the, the issue was that Leo was the one in charge, he was the one responsible for...Not in this case. I'm the one responsible me because it's the investment, which is a lot. We're not talking about the amount of sales and of [U/I]. [U/I] It was 50 to 500 kilos, 400, now we're talking about [U/I] properties. The only one that can make me change the quantity is going to be the one in charge. That's why before I leave I meet, and I need [you all/them] to tell me "Send the 3 [U/I] so that you can try, send it in 2 payments. 1½ and 1½. Or send it in 3, one, one and one." Then afterward [U/I] they wait. But they wanted it, they.	Ah bueno, entonces [U/I]. Súper listo pues, ¿entiende? Por eso es que yo voy a confiar. En eh, en, ah, en otros tiempos la, la cuestión es de que Leo era el encargado, él era el responsable de... En este caso no. El responsable soy yo, porque es la inversión, que es bastante. No estamos hablando de la cantidad de venta y de [U/I]. [U/I] eran 50, 500 kilos, 400, ahora estamos hablando de [U/I]. El único que me puede hacer cambiar la cantidad va a ser el encargado. Por eso antes de que salgo me reúno, y yo necesito que me digan "Mande las 3 [U/I] para que usted pruebe, mándela en 2 pagos. 1 ½ y 1 ½. O mándelo en 3, una, uno y uno". Ya después [U/I] aguantan. Pero ellos querían, ellos.
2		
3 LOBO:	[U/I].	[U/I].
4		
5 CS-2:	[U/I]. You all can't cover that, nor can I cover it. The people who work can decide that [U/I].	[U/I]. Eso no lo pueden cubrir ustedes, ni lo puedo cubrir yo. Eso que lo decidan los que trabajan [U/I].
6
